

CLINICAL LABORATORY SCIENCE

Clinical laboratory testing plays a crucial role in the detection, diagnosis, and treatment of disease. Clinical laboratory technologists and technicians, also known as medical technologists and technicians, perform most of these tests.

Many occupations today require a college educated individual who can write and speak well, solve problems, learn new information quickly and work well with others on a team. This means that college graduates use their education in a wide variety of fields, and your future career may relate as much to your personal career interests, work values and transferable skills as your specific academic major. However, the following list contains a representative sample of job titles of former graduates with a Clinical Laboratory Science major. Use this as an idea list, and remember that it represents some, but certainly not all, of the careers you might consider.

Students obtaining employment immediately upon graduation are usually those with the best college records and a willingness to relocate to find a job. Some of these jobs also require education beyond a bachelors' degree.

Related Career Titles for Clinical Laboratory Science Majors

*Allied Health Care Worker	*Gerontologist	*Crime Laboratory	*Home Health Care Aid
*Firefighter	*Medical Sales Representative	Analyst	*Nutritionist
*Medical Doctor	*Phlebotomist	*Health Club Manager	*Serologist
*Pharmaceutical Sales Representative	*Cardiovascular Technologist/Tech nician	*MRI Technician	*Diagnostic Ultrasound Technician
*Ambulance Driver	*Health Advisor	*Public Healthcare Worker	*Hospital Administrator
*Fitness Instructor	*Medical Secretary	*Cytologist	*Occupational Therapist
*Medical Lab Specialist	*Physical Therapist	*Hematologist	*Surgical Technician
*Pharmacist	*Clinical Laboratory	Technologist	*Dietitian
*Analytical Chemist	Technician	*Radiology Technologist	*Hospital Admissions Clerk
*Food Tester	*Health Care Lobbyist	*Dental Assistant	*Occupational Therapy Aide
*Medical Records Technician	*Medical Technologist	*Histology Technician	*Veterinarian
*Pharmacy Technician	*Physical Therapy Aide	*Nurses Aide	*Dispensing Optician
